

LOGISTICS AND GENERAL SUPPLY LTD

COMPANY PROFILE

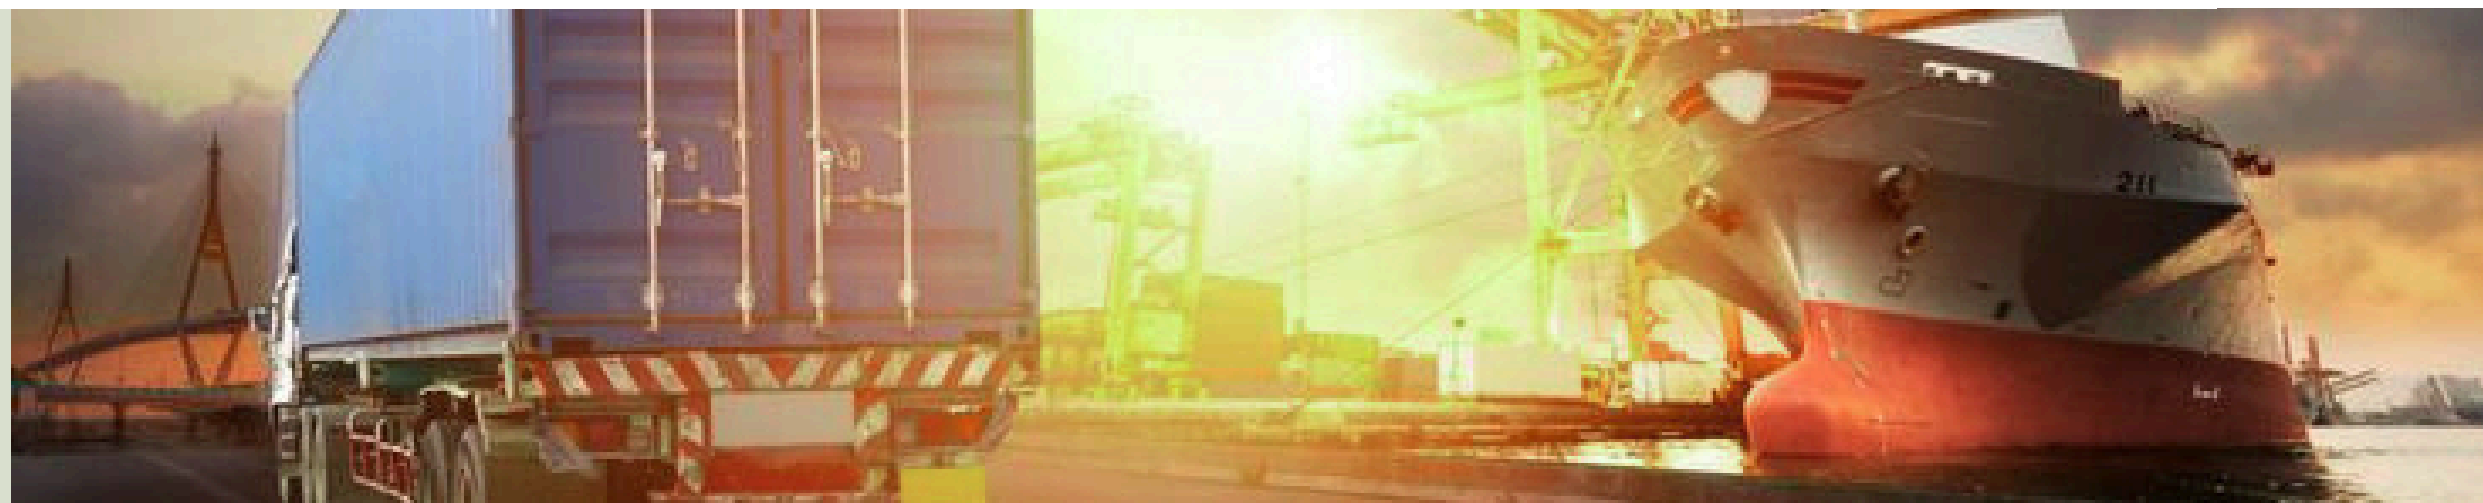

www.ferogruoptz.com

Introduction

FERO GROUP COMPANY LIMITED is a trusted and results-driven company specializing in clearing and forwarding, logistics, and general supply services. With a deep understanding of international trade regulations and supply chain management, we ensure the smooth clearance and transportation of goods across borders. Our expertise in customs clearance, freight forwarding, and cargo handling allows businesses to operate efficiently without delays. Whether by air, sea, or land, FERO GROUP provides seamless logistics solutions tailored to meet the unique needs of our clients.

Beyond logistics, our general supply division delivers high-quality products and essential goods to various industries, ensuring reliability and efficiency in procurement. With a highly skilled team and a strong network of global partners, FERO GROUP is dedicated to providing cost-effective, timely, and reliable services that drive business success.

Excellence In Every Delivery

ABOUT US

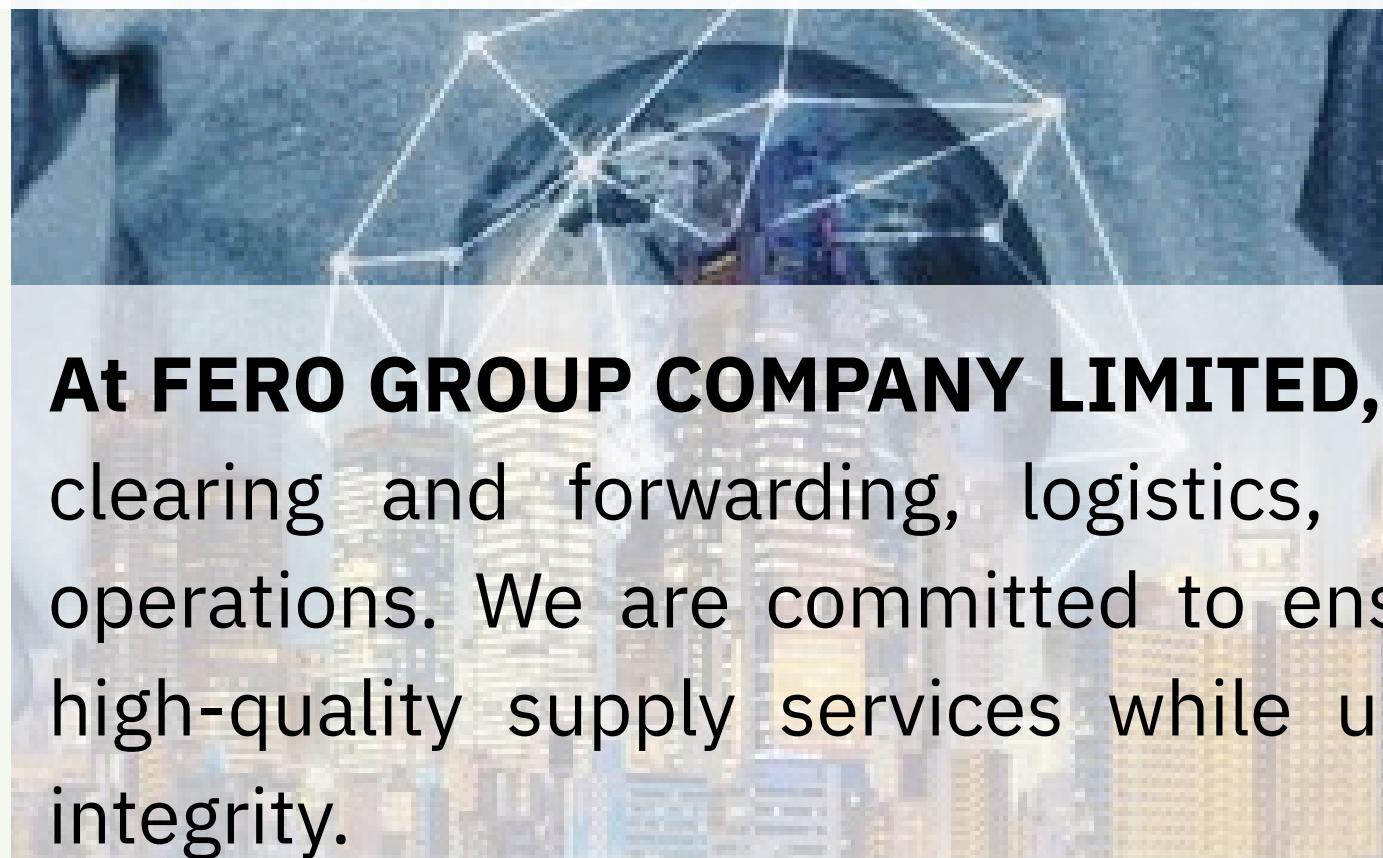

FERO GROUP is a reputable Tanzanian company, uniquely positioned in the industry and officially registered since June 2020 with company registration number 101432520. The company is also accredited under the Government Procurement Services Agency (NEST), reinforcing its commitment to compliance and excellence in service delivery.

FERO GROUP guarantees to respond to and promptly resolve any specific service issues within one business day. This forms the major difference between FERO GROUP and other Logistics Companies.

VISION

At FERO GROUP COMPANY LIMITED, Our vision is to become a leading and most trusted logistics, clearing and forwarding, and general supply company, recognized for our efficiency, reliability, and customer-centric approach. We strive to continuously innovate and expand our services to meet the evolving demands of global trade and supply chain management.

MISSION

At FERO GROUP COMPANY LIMITED, our mission is to provide efficient, reliable, and innovative clearing and forwarding, logistics, and general supply solutions that enhance business operations. We are committed to ensuring seamless cargo movement, timely deliveries, and high-quality supply services while upholding the highest standards of professionalism and integrity.

WHAT WE DO!

At FERO GROUP, we specialize in Clearing and Forwarding, Logistics, and General Supplies, ensuring seamless operations for businesses across various industries. Our Clearing and Forwarding services guarantee efficient customs clearance and smooth cargo movement, minimizing delays and optimizing supply chains.

Through our Logistics division, we provide reliable transportation and distribution solutions tailored to meet the unique needs of our clients. Additionally, our General Supplies unit delivers high-quality products across multiple sectors, ensuring businesses have access to essential resources. With a commitment to efficiency, reliability, and customer satisfaction, FERO GROUP is your trusted partner in supply chain excellence

VALUES & PROPOSITIONS

1. Efficiency and Reliability

At FERRO GROUP, we pride ourselves on delivering efficient and reliable services across all our sectors, from clearing and forwarding to logistics, ICT equipment supply, and furniture and building materials. We understand the importance of meeting deadlines and providing quality products, which is why we ensure timely deliveries and consistent performance.

2. Customer-Centric Approach

Our clients are at the heart of everything we do at FERRO GROUP. We take the time to understand each client's unique needs and tailor our solutions accordingly. Whether providing customized logistics strategies, sourcing quality furniture, or ensuring seamless customs clearance, we work closely with our clients to exceed their expectations. We are dedicated to fostering long-term relationships built on trust, transparency, and a genuine commitment to customer satisfaction.

3. High-Quality Products and Services

Quality is our cornerstone at FERRO GROUP. We source only the best products, from ICT equipment to building materials, ensuring that everything we provide meets international standards. Our logistics services utilize state-of-the-art technologies, while our furniture and building materials are crafted for durability, performance, and style. With a focus on premium quality, we guarantee that our products and services are built to last, offering clients reliable, long-term value.

4. Innovation and Adaptability

As the world of business and trade evolves, so does FERRO GROUP. We continuously invest in innovation and technology to enhance our services, streamline processes, and improve customer experiences. Our adaptable approach allows us to respond quickly to changing market demands and challenges, enabling us to provide flexible solutions that meet the diverse needs of our clients. Whether optimizing logistics networks or integrating the latest tech into ICT supply solutions, we remain at the forefront of the industry

5. Sustainability and Environmental Responsibility

At FERRO GROUP, we are committed to promoting sustainability in all aspects of our business. We prioritize environmentally-friendly practices, from the materials we source to the logistics solutions we offer. We work closely with partners who share our commitment to eco-conscious practices and aim to minimize our environmental footprint while delivering outstanding services. Whether it's sourcing green building materials or optimizing transport routes to reduce emissions, we strive to support sustainable development for a better future.

6. Competitive Pricing

Providing value to our clients is a core principle at FERRO GROUP. While we maintain high-quality standards, we also ensure that our products and services are cost-effective. By leveraging our extensive network and efficient operations, we are able to offer competitive pricing across all our services, from logistics solutions to building materials and furniture supplies. Our pricing strategy allows businesses to receive premium services without compromising on cost, enabling them to remain financially competitive while achieving their goals

OUR WINNING TEAM

Frank Festo

CEO & CO-FOUNDER

The CEO & Co-Founder of FERO GROUP plays a vital role in driving the company's vision, strategy, and growth. As the leader, they oversee overall operations, ensuring efficiency in Clearing and Forwarding, Logistics, and General Supplies. They foster strong business relationships, make key decisions, and guide the team toward innovation and excellence. With a focus on customer satisfaction and operational excellence, the CEO & Co-Founder ensures FERO GROUP remains a trusted and competitive force in the industry.

Herman S. Herman

DIRECTOR OF OPERATIONS

The Director of Operations at FERO GROUP ensures the smooth and efficient execution of Clearing and Forwarding, Logistics, and General Supplies services. They oversee daily operations, streamline processes, and implement best practices to enhance productivity and service delivery. By coordinating teams, managing resources, and ensuring compliance with industry standards, they play a key role in maintaining operational excellence. Their leadership ensures that FERO GROUP meets client expectations while driving continuous improvement and business growth.

Wilfred Nyamwaja

DIRECTOR OF FINANCE

The Director of Finance at FERO GROUP is responsible for managing the company's financial health and sustainability. They oversee budgeting, financial planning, and reporting to ensure smooth operations across Clearing and Forwarding, Logistics, and General Supplies. By analyzing financial data and making strategic decisions, they help optimize costs, maximize profitability, and ensure compliance with financial regulations. Their role is crucial in maintaining transparency, securing investments, and supporting the company's long-term growth.

Beda P. Baijuka

ICT MANAGER

The ICT Manager at FERO GROUP is responsible for overseeing the company's technology infrastructure to support Clearing and Forwarding, Logistics, and General Supplies operations. They ensure the security, efficiency, and reliability of IT systems, including communication networks, data management, and digital tools. By implementing innovative solutions and maintaining cybersecurity measures, they enhance productivity and streamline processes. Their role is crucial in ensuring seamless digital operations, improving efficiency, and supporting the company's growth in a technology-driven environment.

Simon Ikumbo

General Manager

The General Manager at FERO GROUP plays a pivotal role in overseeing the company's operations across its core sectors—clearing and forwarding, logistics, and general supplies. This leadership position involves strategic planning, business development, and ensuring operational efficiency to maintain high service standards. The General Manager is responsible for optimizing supply chain processes, managing key client relationships, and driving growth while ensuring compliance with industry regulations. Additionally, they lead and motivate teams, streamline workflows, and implement innovative solutions to enhance overall performance and customer satisfaction. They foster strong business relationships, make key decisions, and guide the team toward innovation and excellence. With a focus on customer satisfaction and operational excellence, the CEO & Co-Founder ensures FERO GROUP remains a trusted and competitive force in the industry.

Valentine L. Rubago

Marketing & Public Relations

The Marketing & Public Relations team at FERO GROUP is responsible for building the company's brand, promoting services, and maintaining strong relationships with clients and stakeholders. They develop strategic marketing campaigns, manage social media and communications, and ensure a positive public image. Through effective branding, customer engagement, and industry networking, they help expand the company's reach in Clearing and Forwarding, Logistics, and General Supplies. Their role is essential in attracting new clients, retaining existing ones, and strengthening FERO GROUP's market presence.
